

## 2023 Allen Vineyard Chardonnay

### WINEMAKER COMMENTS

The purity of Chardonnay shines through in this glorious offering. Green pear and apple notes jump from the glass and combine with crushed minerals and delicate white flowers. Subtle notes of wood spice and nuttiness from the sur lie aging add a mid-bass tone that adds intrigue. The wine starts out voluminous and rich, but the laser focused acidity carries the pear and apple flavors all the way to a tangerine like finish. The palate is left with a mineral-like impression that lingers wonderfully on the palate.

### THE VINEYARD

The Allen Vineyard surrounds our winemaking facility. This Russian River Valley hillside vineyard was planted in the early 1970s, and produces low yields of exceptional quality Pinot Noir.

### HARVEST 2023

We experienced a welcome sense of normality in 2023, after tumultuous weather patterns during previous growing seasons, including drought conditions, heat events, and hail. This vintage began auspiciously with historical average rainfall and modest temperatures at the start of bud break. Ample sunshine and early heat resulted in even growth of the canopies, creating uniformity and balance as the vines entered the flowering cycle. While it was similarly cool at the outset of 2011, the 2023 heat units built slowly, and the weather was ideal by May. The flowering period was quick, and the fruit set bountiful. The weather was perfect in June and July, with a few heat spikes that kept the plants healthy and sustained. Mid-season crop adjustments were necessary to ensure good vine balance as veraison approached. With the cooler start to the vintage and the normal fog pattern of August, the ripening cycle slowed, and the crop achieved ideal hang time for tannin development at modest sugars. Across the board, the wines exhibit terrific purity of character with excellent tannin resolution. While hot and dry years can create wines of shocking intensity, these cooler vintages showcase the elegant style of Williams Selyem.

### TECHNICAL NOTES

Barrel Description: 27% new, 27% 1yr., 27% 2 yr., 19% 3+ yr.

Barrel Aged: 16 months

pH: 3.20

TA: 0.58g/100mL

Alc: 14.1%

Released 2025
